A special thank you to all who embrace Stewardship

“Stewardship is an inner attitude which with faith and gratitude recognizes that everything is a gift from God, and with openness of heart willingly gives a portion of those gifts to others, especially the poor, for building up the Church and making this a better world.”

13th Sunday in Ordinary Time, June 24th

“Do not neglect to do good and share what you have, God is pleased by sacrifices of that kind.” (Hebrews 13:16)

Bringing God's Word Home

15th Sunday in Ordinary Time July 15, 2018

Gospel: Mark 6: 7-13

Jesus summoned the Twelve and began to send them out two by two and gave them authority over unclean spirits. He instructed them to take nothing for the journey but a walking stick — no food, no sack, no money in their belts. They were, however, to wear sandals but not a second tunic. He said to them, “Wherever you enter a house, stay there until you leave. Whatever place does not welcome you or listen to you, leave there and shake the dust off your feet in testimony against them.” So they went off and preached repentance. The Twelve drove out many demons, and they anointed with oil many who were sick and cured them.

Food for the Spirit—Reflection

1. My Baptism empowers me to proclaim the Good News to all. How effectively do I respond to Jesus’ mission for me?
2. There are many modern “demons” in the world: abuse of wealth, human trafficking, excessive power, disrespect of people and nature, technology that is used to harm people and other things, etc. What am I doing to stop or at least limit all forms of abuse?

My plan for this week: _____

Andres L. Aguilera	Manuel Arteaga	Nicholas Lombard

<u>U.S. Air Force</u>	Brian Page (LAFD)	Anthony Villwock

Dear God, you came into the world as one of us, and suffered as we do. As we go through the trials of life, help us to realize that you are with us at all times and in all things; that we have no secrets from you; and that your loving grace enfolds us for eternity. In the security of your embrace we pray. Amen.

SAFE & FUN SUMMER IDEAS

A great way to beat summer boredom is to head out to the park and play. For many parents, parks provide the space and place for children to play with others and burn off some energy by running around and exploring. However, even in your own neighborhood parks, parents should be vigilant, and should prepare children with basic safety guidelines. Go over the posted rules of the playground with your children, and make sure they understand the boundaries of where they can and cannot play.
