St. John the Baptist's feast occurs every year on June 24th but it only occasionally falls on a Sunday. This is a good thing, because it provides us with an opportunity to reflect upon the figure of John the Baptist. And the witness of John the Baptist reveals one of the fundamental truths of life.

The role of John the Baptist is not about himself. He is the one who points to Jesus. His words are the words that we hear at every Mass before communion, "**Behold the Lamb of God who takes away the sin of the world.**" John is the one who shows us the way to the Savior. John is the herald, but Jesus is the message. John is the voice; Jesus is the Word. John prepares the path; Jesus is the Way.

The witness of John the Baptist is one which all of us should hear. It tells us that the most important thing for us is showing others the way to life. If we can somehow point the way for others to see the depth of life's mystery and the depth of God's love, then we can truly say that our life was successful. Now this is an important lesson, because all too often you and I imagine that our lives are about us. We imagine that our life will be full only if we were more attractive, only if we have more friends and influence, only if we are able to live in another place or to have another job. But all this attention upon ourselves, ultimately does not help us. It frustrates us.

Now don't get me wrong. We do need to plan. We need to be responsible about our needs and our future. But centering upon ourselves does not bring happiness. Being self-absorbed leads only to loneliness and despair. This is why we truly need the witness of John the Baptist who tells us that the way to happiness is to bring others to life. The way in which we can fulfill our deepest desires is to lead others to Christ.

So in a world where we are told over and over again that the way to be happy is to accumulate things for ourselves, we need the witness of John the Baptist who tells us that the way to happiness is to bring others to life. Life is not about you.

It is about bringing others to a fuller sense of who they are and the world around us. Follow the example of John the Baptist. Lead others to life. Lead others to Christ, and you will find a joy that will last forever.

Fr. Joseph

ST. ANTHONY'S PROJECT ADVANCE!

"Two are better than one, because they have a good return for their labor. If either of them falls down, one can help the other up." Ecclesiastes 4:9-10

The 2018 Project Advance Appeal has had a good and promising start. To date \$75,000 has been received from our parish. While we have a way to go to meet our goal, the progress thus far is encouraging.

Thank you to all that have donated and to those that are considering a donation. Each year we hope to build our community by increasing the participation rate amongst our parishioners. All donations are gratefully received regardless of the amount of the gift.

Donations may be dropped in the Sunday collection baskets, given online through the Project Advance website, handed to the Project Advance team members or dropped at the parish office.

May everyone have a joyous and safe summer.

May God bless you and your family.

STEWARDSHIP REFLECTION

"... Behold, one is coming after me;

I am not worthy to unfasten the sandals of His feet." Acts 13:25

Stewardship is a lifestyle, it's not a program or a process.

It's how we are called to live our lives
twenty-four hours a day, seven days a week!

It challenges us to live "God-centered" lives.

Reflect on your daily activities,
do you do them for the glory of God or
for the glory of your own name?
