**19TH SUNDAY IN ORDINARY TIME  
STRENGTHENED BY THE BREAD OF LIFE**

Today we resume the "Bread of Life" discourse from John's Gospel that began two weeks ago. He makes reference to the Jews' ancestors who ate manna in the desert. These days we would think primarily of Israel wandering in the desert, but faithful Jews would also have known the story of Elijah that we hear today. Strengthened by food and drink in the desert, the angel of the Lord sends him on his forty-day and forty-night journey (the biblical number for a preparation time). Like the food given to Elijah in the desert, Jesus tells his listeners that he is bread for the life of the world. It is very important that we not stop listening to Jesus after his promise of eternal life—a marvelous promise, but this "reward" is not the only reason we feast on the Bread of Life. We also come to the table to be made strong for the journey of mission, that the whole world might have life in the fullness of Christ. We are compelled, if we have eaten of the bread of life, to go forth in service to all.

**TODAY'S READINGS**

**First Reading** - Elijah looked and there at his head was a hearth cake and a jug of water (1 Kings 19:4-8).

**Psalm** - Taste and see the goodness of the Lord (Psalm 34).

**Second Reading** - Be imitators of God, as beloved children, and live in love (Ephesians 4:30 — 5:2).

**Gospel** - Jesus said, "I am the living bread; whoever eats this bread will live forever" (John 6:41-51).

**St. Dominic Savio**

He is the patron saint of our Parish. He is a saint at nearly 15 years of age. He was educated by St. John Bosco (a.k.a. Don Bosco) at the Oratory of St. Francis de Sales.

For St. Dominic Savio, holiness consists of always being cheerful and of doing one's ordinary duties, extraordinarily well. His Feast Day is on May 6.

**XIX DOMINGO DEL TIEMPO ORDINARIO  
FORTALECIDOS POR EL PAN DE VIDA**

Hoy retomamos el discurso sobre el "Pan de Vida" del Evangelio según san Juan que comenzó hace dos semanas. Juan alude a los ancestros de los judíos que comieron el maná en el desierto. Hoy pensaríamos sobre todo en el pueblo de Israel caminando por el desierto, pero los judíos fieles también conocían el relato de Elías que escuchamos hoy. Elías comió y bebió en el desierto, y con la fuerza de aquel alimento, el ángel del Señor lo envió en su viaje de cuarenta días y cuarenta noches (la cifra bíblica que simboliza un tiempo de preparación). De la misma manera que el alimento que recibió Elías en el desierto, Jesús le dice a su público que él es pan para la vida del mundo. Es muy importante que sigamos escuchando a Jesús después de su promesa de vida eterna, sin duda es una promesa maravillosa, pero esta "recompensa" no es la única razón para darnos un festín con el Pan de Vida. También vamos a la mesa con el fin de recibir fuerzas para el camino de la misión, de manera que el mundo entero pueda tener vida en la plenitud de Cristo. Si hemos comido el pan de vida, estamos obligados a servir a todos.

**TREASURES FROM OUR TRADITION**

Careful readers of the “Treasures” will have noticed that the two columns about the oldest monastic communities in the United States refer to the colonial states. The Louisiana Purchase gained a great treasure for our nation, the Ursuline monastery of New Orleans. Among the greatest pioneers of that city were nuns who came from France on a perilous voyage in 1727, pestered by pirates and tossed by fearsome storms. These were genteel, well-educated Ursulines, yet their first task was to roll up their sleeves and open a hospital to care for the pestilence-ridden colony. Next, they opened a school for girls and launched a plan to educate the women being shipped over from France to marry settlers. In this way, they had enormous influence in molding patterns of family and domestic life.

At Christmastime in 1814, the threat of a British assault on the city was growing. On the terrifying night of January 7, 1815, the women of New Orleans gathered in the monastery chapel to pray that the city be spared from destruction in battle. The mother superior made a vow to have a Mass of Thanksgiving on that date every year should the Americans win. That night, Our Lady of Prompt Succor, to whom the nuns had great devotion, became the protector and patron of this great city. The convent in the French Quarter is the oldest standing building in the Mississippi valley, and the only surviving building of the French colonial period. The nuns relocated in 1824,

but their old monastery is preserved as a museum and archives for the Archdiocese of New Orleans. The school the nuns began, Ursuline Academy, is the oldest continuously operating Catholic school, and school for women, in the United States.

**TRADICIONES DE NUESTRA FE**

En 1973 Juan A. Espinosa escribió la canción “Santa María del Camino” con la cual invita a la Madre de Dios a caminar con sus hermanos y hermanas en la fe. La canción reta al creyente a caminar a pesar de lo difícil que puede ser y a luchar por los cambios que sólo el Reino de Dios puede realizar. En todo esto María es invitada a caminar con el creyente.

En esta semana recordamos la Asunción de María al cielo, y lo hacemos reconociendo que además de ser Madre de Dios y madre nuestra, ella también es nuestra hermana y compañera en el camino de la fe. Ella ha llegado a la meta de nuestra peregrinación y lo ha hecho en cuerpo y alma por un privilegio singular. Nosotros también lo haremos en los últimos días cuando nuestro cuerpo resucite para unirse con nuestra alma.

Es en vista de los últimos tiempos que invitamos a María a descender de sus altares, regresando del cielo una y otra vez para caminar con sus hermanas y hermanos, en la fe, que tanto necesitan su ejemplo y apoyo.

## PROTECTING OUR CHILDREN

### Did you know?

It's that time of year again to pack up your children's backpacks and send them off to make new friends and learn new things. Before the first day of school, parents should take steps to ensure their child's safety while they're in the care of teachers and school staff. Meet all the teachers and adults that your children will see regularly. Talk to your kids about basic ground rules for safety, privacy and security. For young children, shared bathrooms are new, and they should know what to expect. Brush up on the school's plans for security too. For a copy of the complete VIRTUS® article "Three Things that Simply Must Be Done," click here.

### ¿Sabia Que?

Es esa época del año para empacar las mochilas de sus hijos y enviarlos a hacer nuevos amigos y aprender cosas nuevas. Antes del primer día de clases, los padres de familia deben tomar medidas para garantizar la seguridad de sus hijos mientras están a cargo de los maestros y del personal de la escuela. Conozca a todos los maestros y adultos que sus hijos verán regularmente. Platique con sus hijos sobre las reglas básicas de seguridad, privacidad y seguridad. Para los niños pequeños, los baños compartidos son nuevos y deben saber qué esperar. También repase los planes de seguridad de la escuela. Para obtener una copia del artículo completo de VIRTUS® "Three Things that Simply Must Be Done" (Tres cosas que simplemente deben hacerse), haga clic aquí.
