**22ND SUNDAY IN ORDINARY TIME  
THE HIGHEST LAW**

From time to time, newspapers and magazines will offer, as an item of "filler," various laws that are still on the books but seem silly to us in our day and age. In one California city, it is illegal to have two indoor bathtubs in one house. Clean water, a precious commodity when the law was written, is now readily available, so the law seems silly. But the human value of protecting and preserving precious resources is still around, evident in many conservation laws that seem sensible to us. So it is with the laws of religious tradition. What Jesus scorns today is others' attitude toward ritual laws, an attitude that becomes nearly idolatrous when laws are observed for their own sake. Jesus teaches that observation of external ritual laws is of value only when they are emblems of our internal disposition toward the will of God. Our whole lives must follow the one ultimate law of God: to love God completely and to love neighbor entirely. Roman Catholicism is a tradition rich with customs, traditions, and even laws. As we continue to listen to the voice of Christ, we must always look into our own hearts and underneath our ritual practices to make sure that love of God and love of neighbor are what we prize above all.

**TODAY'S READINGS**

**First Reading** - For what great nation is there that has gods so close to it as the Lord, our God, is to us? (**Deuteronomy 4:1-2, 6-8**).

**Psalm** - The one who does justice will live in the presence of the Lord (**Psalm 15**).

**Second Reading** - Religion that is pure is this: to care for orphans and widows in their affliction (**James 1:17-18, 21b-22, 27**).

**Gospel** - This people honors me with their lips, but their hearts are far from me (**Mark 7:1-8, 14-15, 21-23**).

**St. Dominic Savio**

He is the patron saint of our Parish. He is a saint at nearly 15 years of age. He was educated by St. John Bosco (a.k.a. Don Bosco) at the Oratory of St. Francis de Sales.

For St. Dominic Savio, holiness consists of always being cheerful and of doing one's ordinary duties, extraordinarily well. His Feast Day is on May 6.

**XXII DOMINGO DEL TIEMPO ORDINARIO  
EL PRECEPTO MÁS IMPORTANTE**

De vez en cuando, los periódicos y las revistas publican, a modo de "relleno", diversas leyes que siguen en los libros pero que parecen ridículas en nuestra época. En una ciudad de California, es ilegal tener dos bañeras dentro de una casa. Cuando se pasó la ley era un lujo tener acceso al agua corriente, pero ahora que no lo es la ley parece ridícula. Sin embargo, el valor humano de proteger y preservar los recursos más valiosos sigue teniendo vigencia, esto se manifiesta en muchas leyes, que nos parecen muy acertadas, cuyo fin es proteger el medio ambiente. Sucede lo mismo con los preceptos religiosos. Lo que Jesús desdén hoy es la actitud de los demás respecto a los preceptos rituales, una actitud que se vuelve casi idólatra cuando se obedecen los preceptos por el mero hecho de obedecerlos. Lo que Jesús enseña es que el cumplimiento de los preceptos rituales externos sólo tiene valor cuando simboliza nuestra predisposición interior a cumplir la voluntad de Dios. Nuestras vidas deben obedecer el precepto supremo de Dios: amar a Dios por encima de todo y al prójimo igual que nos amamos a nosotros. La religión católica es rica en costumbres, tradiciones e incluso preceptos. Al seguir escuchando la voz de Cristo, siempre debemos examinar nuestro corazón y nuestras prácticas rituales para asegurarnos de que el amor a Dios y al prójimo se halle por encima de todo lo demás.

**Student Non-Discrimination Policy**

The school, mindful of its mission to be a witness to the love of Christ for all, admits students regardless of race, color, national origin, and/or ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to students at the school.

The school does not discriminate on the basis of race, color, disability, sex, or national and/or ethnic origin in the administration of educational policies and practices, scholarship programs, and athletic and other school-administered programs, although certain athletic leagues and other programs may limit participation and some archdiocesan schools operate as single-sex schools.

While the school does not discriminate against students with special needs, a full range of services may not always be available to them. Decisions concerning the admission and continued enrollment of a student in the school are based upon the student's emotional, academic, and physical abilities and the resources available to the school in meeting the student's needs.

## No Safer Place...

**The Catholic Church is the safest place for children anywhere**

*Reflections by Fr. Dave Heney*

### Clear description of the problem.

- Abuse from clergy can cause lasting trauma in victims.
- Cover up or lack of response from Church supervisors can allow abuse to continue.
- Anger and hurt at discovery of both problems can also traumatize parishioners.

### LA Archdiocese solution since 2003: Safeguard the Children Program.

- Fingerprinting and background checks of parish/school staff, and volunteers with children.
- mandated educational seminars every four years for staff, and volunteers with children.
- Mandated Safeguard the Children Committee at each parish that monitors compliance.
- Hotline numbers in pamphlets at all Church doors for parishioners to call.
- Regular independent auditing to ensure full parish compliance.
- Archdiocesan Victims Assistance Office with 24 hour hotline.
- Zero tolerance for perpetrators of abuse.

### St. Bruno Parish and School added Protections

- Security Fence around school that is secured during school hours.
- Identification Badges for staff, volunteers, and even vendors.
- 24 hour Camera surveillance at both parish and school.
- All school parents attend mandated children safety seminar

### We cannot promise what we cannot deliver: *total safety.*

- We cannot totally stop sinful people from doing sinful or criminal acts.
- Even God could not stop the sin of Adam and Eve in the perfect Garden of Eden.
- Even Jesus could not stop sinful behavior from the disciples He personally chose.

### We can promise and deliver vigilance, justice and healing.

- We deliver educational programs to our children to help them defend against abuse
- We deliver practical training that helps all adults watch out for children's safety.
- We deliver compassionate accompaniment of victims and their healing.
- We deliver a full investigation by local police agencies.
- We deliver full accountability for those guilty of these crimes.
- We deliver weekly ideas in our Bulletin on how to safeguard children.
- We deliver Safeguard the Children brochures at the Church doors.

*I believe no other institution today provides this high level of protection of minors.*

*You can feel proud of our LA Archdiocese and St. Bruno response.*

## No hay un lugar más seguro...

La Iglesia Católica es el lugar más seguro, que otros, para los niños.

### Descripción clara del problema.

- El abuso del clero puede causar un trauma duradero a las víctimas.
- El encubrimiento o la falta de respuesta de quienes supervisan en la Iglesia puede hacer que el abuso continúe.
- El enojo y daño en el conocimiento de ambos problemas puede, también, traumatizar a los feligreses.

### La solución de la Arquidiócesis de Los Angeles desde el año 2003: "El programa de protección de niños" a través de:

- Los controles de huellas digitales y la verificación de antecedentes del personal de la parroquia/escuela y de los voluntarios que trabajan con niños.
- Los seminarios educativos obligatorios, cada cuatro años, para el personal y los voluntarios que trabajan con niños.
- El Comité obligatorio en cada parroquia para la protección de los niños, cuya finalidad es vigilar el cumplimiento de las normas.
- Los números gratuitos de línea directa impresos en folletos que se encuentran en todas las puertas de las iglesias.
- Las auditorías independientes que se hacen con regularidad para asegurar el cabal cumplimiento de cada parroquia.
- La oficina arquidiocesana de asistencia a las víctimas, con línea directa las 24 horas del día.
- La tolerancia cero para los perpetradores de abuso.

### La parroquia y escuela San Bruno añadieron otras protecciones:

- Reja alrededor de la escuela que se asegura durante el horario escolar.
- Distintivo de identificación para el personal, los voluntarios e, inclusive, los vendedores.
- Cámara de vigilancia las 24 horas del día tanto en la parroquia como en la escuela.
- Asistencia obligatoria de todos los padres de los niños de la escuela a un seminario de seguridad.

### No podemos prometer lo que no podemos cumplir: *seguridad total.*

- No podemos detener totalmente a gente que comete actos pecaminosos o criminales.
- Ni siquiera Dios pudo detener el pecado de Adán y Eva en el jardín del Edén que era perfecto.
- Ni el mismo Jesús pudo detener el comportamiento pecaminoso de los discípulos que había escogido personalmente.

### Podemos prometer y entregar vigilancia, justicia y sanación:

- Entregamos programas educativos a nuestros niños para ayudarles a defenderse de los abusos.
- Ejercitamos a los adultos para que ayuden a vigilar la seguridad de los niños.
- Damos un acompañamiento compasivo a las víctimas en su proceso de sanación.
- Solicitamos que se haga una completa investigación por parte de las agencias de policía local.
- Aquellos que son encontrados culpables de sus crímenes responden por ello.
- Cada semana en el boletín parroquial damos ideas para mantener a nuestros niños en un ambiente seguro.
- En las puertas de la iglesia entregamos folletos que enseñan cómo mantener seguros a los niños.

*Pienso que hoy, ninguna institución tiene un nivel tal alto de protección a los menores. Podemos sentirnos orgullosos de la respuesta de nuestra Arquidiócesis de Los Angeles y de nuestra parroquia San Bruno.*

## PROTECTING OUR CHILDREN

### Did you know?

Sports seasons start early, even for young children, and while it's great that they're out getting exercise and learning new skills, safety is still a top priority. It's recommended that all children who are playing school sports have an annual physical, and relevant health information (allergies, conditions, etc.) should be shared with coaches. Parents should make sure their children have the right gear, and that it fits and works wells. Children should stay well-hydrated, well-fed, and well-rested to keep up their energy and strength. Student athletes should be learning to be kind and fair, too, no matter the outcome of the game. For more information, visit the Los Angeles Archdiocese website, www.la-archdiocese.org.

### ¿Sabia Que?

Las temporadas deportivas comienzan temprano, incluso para los niños pequeños, y si bien es fantástico que estén haciendo ejercicio y aprendiendo nuevas habilidades, la seguridad sigue siendo una alta prioridad. Se recomienda que a todos los niños que practiquen deportes escolares se les haga un examen físico anual, y la información relevante de salud (alergias, condiciones, etc.) se debe compartir con los entrenadores. Los padres de familia deben asegurarse de que sus hijos tengan el equipo adecuado, y que calce y funcione bien. Los niños deben mantenerse bien hidratados, bien alimentados y bien descansados para mantener su energía y fuerza. Los estudiantes atletas deben aprender a ser amables y justos, sin importar el resultado del juego. Para obtener más información, visite el sitio web de la Arquidiócesis de Los Ángeles, www.la-archdiocese.org.
