Pastoral priorities

Did you know that Bishop José Gómez has created a list of pastors' priorities for all the churches that belong to the Archdiocese of Los Angeles? These are:

Education in faith

Our faith must make a difference in our lives, inspire others to know more of their faith to live more fully with love and devotion.

Promote vocations

The vocation has a context that is the church. Our task is to welcome people to open their hearts to recognize the call of God in their lives.

Promote cultural diversity and Catholic identity.

The word "catholic" means "embracing the whole universe" and we should not be stuck in our communities. We are not Filipino or Hispanic Catholics or different communities, our cultural identities are important for who we are and what God wants us to be, but the identity of faith does not call to be more than we are by blood.

Building a culture of life

The reason in everything we do is the concern to promote the flowering of the human person, our principles make us fight for justice and the common good to protect and raise the weak, promote freedom and human dignity.

Strengthen marriages and family

We are called to do all we can to support couples and families who are trying to live these truths: spouses and holy families, the church is called to approach those who are having problems to understand and live these truths.

Prioridades Pastorales

¿Sabía que el Arzobispo José Gómez ha creado una lista de prioridades pastores para todas las iglesias que pertenecen a la arquidiócesis de Los Ángeles? Estas son:

Educción en la fe

Nuestra fe debe marcar la diferencia en nuestras vidas, inspirar a los demás a conocer más de su fe para vivir más plenamente con amor y devoción.

Promover vocaciones

La vocación tiene un contexto que es la iglesia. Nuestra tarea es dar bienvenida a las personas a abrir sus corazones para reconocer el llamado de Dios en sus vidas.

Fomentar la diversidad cultural y la identidad católica.

La palabra "católico" significa "abarcando todo el universo" no debemos estancarnos en nuestras comunidades. No somos católicos filipinos o hispanos o diferentes comunidades, nuestras identidades culturales son importantes para lo que somos y lo que Dios quiera que seamos, pero la identidad de fe nos llama a ser más de lo que somos por sangre.

Construyendo una cultura de la vida

El motivo en todo lo que hacemos es la preocupación de promover el florecimiento de la persona humana, nuestros principios nos hacen luchar por la justicia y el bien común para proteger y levantar a los débiles, promover la libertad y dignidad humana.

Fortalecer matrimonios y familia

Somos llamados a hacer todo lo que podamos para apoyar a parejas y familias que están tratando de vivir estas verdades: cónyuges y familias santas, la iglesia está llamada a acercarse a aquellos que están teniendo problemas a entender y vivir estas verdades.

DID YOU KNOW?

WATCH FOR SIGNS OF ANXIETY IN YOUR CHILD

Everyone has had an anxious moment or two in their lives, but many people, even kids, struggle with daily anxiety. Anxiety can be a contributing factor in depression, and even if it's not that severe, it can make day-to-day activities tough. Kids who suffer from anxiety may exhibit physical symptoms like asthma and stomach aches, or could have trouble eating, sleeping, or going to the bathroom. If your child is showing signs of anxiety, it's important to ask why, and then to help your child address the cause and manage the associated feelings.

¿SABIAS QUE?

ESTÉ ATENTO A LOS SIGNOS DE ANSIEDAD EN SU HIJO

Todos han tenido un momento de ansiedad o dos en sus vidas, pero muchas personas, incluso niños, luchan con la ansiedad diaria. La ansiedad puede ser un factor que contribuye a la depresión, e incluso si no es tan grave, puede dificultar las actividades cotidianas. Los niños que sufren de ansiedad pueden presentar síntomas físicos como asma y dolores de estómago, o pueden tener problemas para comer, dormir o ir al baño. Si su hijo muestra signos de ansiedad, es importante preguntar por qué, y luego ayudar a su hijo a abordar la causa y manejar los sentimientos asociados.
