

PROJECT ADVANCE

Live gratefully,
give generously.

“... whoever believes in me will do the works
that I have been doing ...” *John 14:12*

Project Advance 2018 is drawing to a close. Thanks to all our parishioners who have made a donation this year. We are also appreciative of the second donations we have recently received.

Project Advance provides a wonderful opportunity for us to support those in need and the growing needs of our own parish and our Archdiocese. Through our donations, we are united as a family, working and giving together, to achieve a life of faith, stewardship, and service.

We encourage all parishioners who have not yet made a donation to please consider making a gift. All donations, regardless of the amount, are gratefully received.

This weekend, December 1st and 2nd, is the last time this year we will have the table in the foyer to receive donations. We still have a way to go to reach the total donations that we, as a parish, gifted last year (\$115,000). We are also hoping to increase the number of donors to reach at least last year's total (193).

Donations can also be made by placing an envelope marked “Project Advance” in the Sunday collection basket, stopping by the parish office, or visiting the Project Advance website www.projectadvance.com. (Please choose St Anthony's Parish West Van).

Thank you for your support and for recognizing the many blessings God has given to us.
